## STEP-BY-STEP

*The pre-treatment estimate process*

### **Q: What is a treatment plan?**

**A:** A treatment plan is a list of proposed services that your dentist recommends at your dental visit, in what time frame, and how much the services will cost after insurance.

### **Q: What is a pre-treatment estimate?**

**A:** A pre-treatment estimate is an estimate of dental benefits from Delta Dental of NM that can help a member budget for dental procedures & decide how to proceed with treatment prior to dental services being performed.

**Remember - there is NO GUARANTEE that the balance of your charges will be covered by the Delta Dental Plan.** If you have any questions regarding your benefits you may contact **Customer Service at (877) 395-9420**

<sup>1</sup> A pre-treatment estimate is not a guarantee of Delta Dental's final payment. When the treatment is complete and a claim is received for payment, Delta Dental will calculate its payment based on your current eligibility, amount remaining in your annual maximum and any deductible requirements or dual coverage. Please review your Evidence of Coverage, Summary of Benefits or Group Dental Insurance Contract for specific details about your plan.
