A majority of these benefits are self-insured; though, there are some fully insured offerings as well. Plan designs and carriers differ. Please reference each entities' web site for additional information.

New Mexico Public Schools Insurance Authority - <https://nmpsia.com/index.html>

New Mexico Retiree Health Care Authority - <http://nmrhca.org/>

Albuquerque Public Schools - <https://www.aps.edu/human-resources/benefits>

A focus of this RFP will be the pursuit of specific objectives related to cost saving measures including value-based purchasing and other innovative approaches. The IBAC is looking for a consultant who can provide us with ideas and solutions which will place emphasis on cost saving throughout the totality of this procurement cycle. This approach should consider but not be limited to:

- A. Value-Based Plan Design
- B. Enhanced and Standardized Reporting
- C. Value-Based Provider Reimbursement – Consideration will be given to opportunities both with and without medical plan administrator participation
- D. Innovative approach to Performance Guarantees that will result in cost savings to the IBAC agencies and value to our employees.

RFP SCHEDULE

The RFP Buyer will make every effort to adhere to the RFP Schedule as noted on front cover of this RFP. The schedule is subject to change by addendum. The evaluation committee **MAY** interview the Offeror(s) of the top rated proposals; however, contracts may be awarded without such interviews and based solely on written offers. Finalists will be contacted to schedule interviews if required. If an interview is requested, evaluation scores will be re-scored to reflect written response and interview response.

PURPOSE OF THIS REQUEST FOR PROPOSAL

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals, to establish a contract through competitive negotiations for the procurement of consulting/project management services to assist in the procurement of dental, vision and medical plans (including Medicare Advantage and Medicare Supplement) for The Interagency Benefits Advisory Committee (IBAC) and its approximately 138,000 eligible employees/retirees and approximately 176,000 medical plan enrolled members.

The scope of this procurement is limited to consulting and project management services associated with the development and evaluation of a comprehensive RFP for dental, vision and medical services/administrators

(including Medicare Advantage and Medicare Supplement plans), along with wellness services, point solutions, and Employee Assistance Program (EAP) for some of the IBAC agencies. The awarded contractor will work with the IBAC in all phases of the development and evaluation of the RFP, to include timeline, questionnaires for each type of service, data-gathering, evaluation criteria (including scoring template), assistance with response to bidder's questions, assistance in the evaluation of the RFP responses, to include both detailed and summary evaluation reports (including analyst of technical and financial responses, finalist presentations and best and final offers), and assistance in reviewing the resulting contracts to be certain all agreed-upon provisions from the RFP are captured in the final contracts.

Any inquiries or requests regarding this procurement should be submitted to the RFP Buyer in writing. See Cover Page of RFP. Offerors may contact ONLY the RFP Buyer regarding the procurement. Other APS or IBAC agency employees do not have the authority to respond to questions related to this RFP.

SCOPE OF SERVICES

APS is seeking a consultant to handle the procurement of IBAC medical, dental, vision, wellness services, point solutions, and EAP services effective July 1, 2024 for State of New Mexico Risk Management Division, New Mexico Public Schools Insurance Authority, and New Mexico Retiree Health Care Authority and effective January 1, 2025 for Albuquerque Public Schools. It is the IBAC's goal that this comprehensive RFP be released the first week in July, 2023. The consultant will act as project manager for the following services:

1. Based on input and direction from the APS RFP Buyer and the IBAC agencies, develop an IBAC-specific Request for Proposal (RFP) for dental, vision and medical services/administrators (including Medicare Advantage and Medicare Supplement plans), wellness services, point solutions, and EAP, while adhering to state-mandated purchasing guidelines and to the Health Care Purchasing Act; assume responsibility for state-mandated publication of the RFP. The RFP will ask for proposals for both self-funded and fully insured dental and vision plans, and shall include at least one distinct service area consisting of the Albuquerque metropolitan area. Proposals on a distinct service area shall be evaluated separately.
2. Collect all experience and eligibility/enrollment information needed for this RFP from each IBAC agency and/or the existing plan administrators/vendors. (This is generally time-consuming, and the Project Manager needs to ensure the data is reviewed for reasonableness and consistency.)
3. Include in the RFP desired services requested by each IBAC agency including any changes to be considered for the new contracts (i.e., a change in funding type). After collaboration with the IBAC agencies include in the RFP the agreed upon cost savings approaches and performance guarantees by type of service that will drive plan savings for the agencies and value for our members.
4. Provide a detailed timeline, methodology, and strategy as to how the management of the RFP will be accomplished and evaluated by the IBAC. Develop a scoring template for IBAC agency use in the evaluation of each proposal.
5. Work closely with the assigned APS RFP Buyer and IBAC agencies to respond to offeror's questions and develop any needed addendums to the RFP.
6. Prepare and present to the IBAC any necessary or requested reports on all components of the RFP (mandatory specifications, desirable specifications, questionnaire(s), costs, etc.). Complete a comprehensive evaluation of the medical proposals (including Medicare Advantage and Medicare Supplement) and dental, vision, wellness services, point solutions and EAP proposals for each applicable IBAC agency and provide related

reporting including a side-by-side comparison of responses. Also to include but not be limited to analysis such as network disruption and geo-access reporting.

7. Assist with finalist interviews and with establishing and calculating the evaluation point summary, cost ranking, and total awarded points to include a best and final analysis.
8. Complete a comprehensive analysis of cost projections and assist the IBAC agencies in the evaluation of the cost of each offeror's proposal. Ensure the cost analysis for medical, dental, vision, wellness services and point solutions shows each agency on a solo basis, as well as the entire IBAC jointly. (In the past, there were quoted Administrative Service Only (ASO) fees/other costs that varied by the number of IBAC agencies that awarded their business to that plan administrator/vendor. This requires the project manager to evaluate the impact of the various combinations.)
9. Provide guidance to the evaluation committee to make an informed decision after completion of finalist interviews, including best and final offers (BAFO).
10. Collaborate with the IBAC agencies to prepare the evaluation report required by the APS Procurement Department.
11. Assist and advise IBAC agencies with negotiations and implementation guidance. Work with each IBAC agency during the contracting phase with the awarded offerors to be certain all agreed-upon provisions in the RFP are captured in the final contracts.
12. Collaborate and cooperate with the IBAC Procurement offices (CPO or designee) in preparing any protest determination.

Note: Your proposal needs to outline the total cost for these services for the four IBAC agencies. However, also provide a breakdown of the cost by agency based on their requested services:

SONM – medical, dental, vision, wellness services, point solutions and EAP

NMPSIA – medical, dental, vision, wellness services, and point solutions

NMRHCA – medical, Medicare Advantage, Medicare Supplement, dental, vision, wellness services, and point solutions

APS – medical, dental, vision, and point solutions

The contract between APS and a contractor will follow the format specified by APS and contain the terms and conditions set forth in the Draft Contract Exhibit A, included in the Forms and Attachments Section of this RFP. Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract, the Offeror must propose specific alternative language in tracked changes/redline format on the Draft Contract, and provide that redlined document as part of the RFP response. Complete substitution of the contractor's standard contract for the Draft Contract is not acceptable to APS. If the Offeror agrees with all terms and conditions in the Draft Contract, that should be indicated as a comment on the Draft Contract, and the Draft Contract returned to APS as part of the RFP response.

Note: Performance Guarantees related to the Offeror's adherence to the timeline agreed upon between the awarded Offeror and the IBAC agencies will be included as part of the contract resulting from this RFP.

This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The Prospective Contractor must disclose whether they, a family member or a representative of the Prospective Contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the Contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the Prospective Contractor, a family member or a representative of the Prospective Contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a Prospective Contractor, a family member of the prospective Contractor, or a representative of the Prospective Contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a Prospective Contractor fails to submit a fully completed disclosure statement pursuant to the law.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to federal, statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

b. In such case, Contractor shall be paid (without duplication of any items):
