This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when NMPSIA determines such action to be in the best interest of the State of New Mexico.

## **11. Sufficient Appropriation**

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The New Mexico Public Schools Insurance Authority decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

## **12. Legal Review**

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

## **13. Governing Law**

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

## **14. Basis for Proposal**

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

## **15. Contract Terms and Conditions**

The contract between NMPSIA and a contractor will follow the format specified by the NMPSIA and contain the terms and conditions set forth in the Draft Contract Appendix C. However, NMPSIA reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

NMPSIA discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of NMPSIA (and its evaluation committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. NMPSIA may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract that are not acceptable to NMPSIA will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

## **16. Offeror's Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with NMPSIA. See Section II.C.15 for requirements.

## **17. Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between NMPSIA and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

## **18. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85, NMSA 1978.

## **19. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same

mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

## **20. Change in Contractor Representatives**

NMPSIA reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

## **21. Notice of Penalties**

The Procurement Code, §§13-1-28 through 13-1-199, NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

## **22. Agency Rights**

NMPSIA in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

## **23. Right to Publish**

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from NMPSIA written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or NMPSIA contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

## **24. Ownership of Proposals**

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by NMPSIA unless the Offeror either picks up, or arranges for pick-up, the materials within three (3) business days of notification of the cancellation. Offeror is responsible for all costs involved in return mailing/shipping of proposals.

## **25. Confidentiality**

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval from NMPSIA.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without NMPSIA's written permission.
