

United Concordia Find a Dentist Tool What You Need to Know

United Concordia Dental's Find a Dentist tool offers a fresh, responsive design packed with new features and functions. Plus, an improved user experience makes finding in-network dentists fast and easy. Check out the new Find a Dentist tool by visiting UnitedConcordia.com/FindADentist.

Here's the Buzz:

Responsive design

Delivers a great experience via laptop, tablet or smartphone

Fresher look

Modern redesign and exciting graphics that will delight and engage

Simplified search and results

Quickly search by city, state or zip – even by practice name or type of dentist. Search results display cleaner lists and clearer details with **Schedule Now*** feature

Network identification**

Find My Network feature helps identify network name to provide the most accurate search results

Includes maps and directions

Shows reliable routes to the dentist's office via car, bike or public transit

Savings tooltips

New **Save!** tooltip identifies network dentists that offer the most value

*Schedule Now feature available for select dentists

**Network identification feature available to select partners

You can also use the Find a Dentist tool and other features through our United Concordia Dental mobile app for members. **Download the member app today in the Apple App Store or on Google Play.**

New Find a Dentist
Now it's easier than ever for members to search our directory and find in-network dentists.
