FOOTNOTES:

¹ All services are subject to deductible unless otherwise indicated in the *Summary of Benefits* (i.e., “deductible waived”). When applicable, the deductible must be met before the benefit payments are made (excluding routine services, hearing aids for children under age 21, and drugs and items covered under the drug plan). Deductible for Preferred Provider services do not cross-apply to the Nonpreferred Provider limit, or vice versa.

² After a member reaches the applicable out-of-pocket limit, the Plan pays 100 percent of his/her covered charges for the rest of the calendar year. Under the Low Option plan, coinsurance, copayments, and deductible for Preferred Provider services do not cross-apply to the Nonpreferred Provider limit, nor vice versa.

³ Initial treatment of a medical emergency is paid at the Preferred Provider benefit level. Follow-up treatment from a Nonpreferred Provider and treatment that is not for an emergency is paid at the Nonpreferred Provider level. Nonemergency air ambulance services are covered only when it is medically necessary to transfer the patient from one facility to another.

⁴ Certain services are not covered if preauthorization is not obtained from BCBSNM. A list of services requiring preauthorization is in *Section 2 of the Benefit Booklet*. Some services may require a written request for preauthorization in order to be covered.

⁵ Preauthorization is required for inpatient admissions. You pay a \$300 penalty for covered medical/surgical facility services if authorization is not obtained. Some services, such as transplants and physical rehabilitation, require additional authorization. If you do not receive authorization for these individually identified procedures, benefits for any related admissions will be denied. See *Section 2 of the Benefit Booklet*.

⁶ All inpatient, short-term rehabilitation treatments, including skilled nursing facility and physical rehabilitation facility admissions, must receive preauthorization from BCBSNM. See *Section 4: Preauthorizations* (of the Benefit Booklet) for more information about preauthorization requirements.

⁷ Services administered by a licensed medical doctor (M.D.), doctor of osteopathy (D.O.), physical therapist (R.P.T. or L.P.T.), doctor of oriental medicine (D.O.M.), doctor of chiropractic (D.C.), and licensed massage therapist (L.M.T.) are covered. Roling must be provided by a certified rolfer. Naprapathy must be provided by a certified provider.

⁸ The partial hospitalization and facility-based intensive outpatient program (IOP) copayments are waived if the patient is admitted directly into either program from an inpatient facility or residential treatment center, or if the patient is admitted into a partial hospitalization program directly from an inpatient facility or residential treatment center.

⁹ This plan opted out of compliance with Mental Health Parity Addictions Equity Act.

¹⁰ Rental benefits for medical equipment and other items will not exceed purchase price of a new unit.

NOTE: BCBSNM provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims, except as may be specified in the Administrative Services Agreement.

IMPORTANT: Deductible amounts and coinsurance percentages are applied to BCBSNM’s covered charges, which may be less than the provider’s billed charges. Preferred Providers will not charge you the difference between the covered charge and the billed charge for covered services; Nonpreferred Providers may.
